Iowa Rabbit Festival Community Impact Grant Program

Dear Applicant,

Thank you for your interest in the 2026 Iowa Rabbit Festival Community Impact Grant. Since 1986, The Iowa Rabbit Festival has proudly supported the youth and educational programs of Iowa, Louisiana through scholarships and donations to school- and youth-affiliated organizations. As part of our continued mission to support education in our community, we are pleased to once again offer our \$1,000 Community Impact Grants for 2026.

One grant per year will be awarded to a qualifying community organization or to help fund community improvement projects.

Community organizations can use the funds to support your mission, supplement your budget, or even replace a fund-raiser. These grants are designed to strengthen organizations and initiatives that directly benefit the Iowa community.

Community Improvement Projects are open to a wide range of applicants, including but not limited to individuals, businesses, churches, and government entities. Funding awarded for Community Improvement Projects will be reimbursed upon completion of the approved project.

Applications are due September 4th. Depending on the number of applicants, recipients may be ineligible to receive another award for up to three years following their award. We appreciate your dedication to serving our community, and we look forward to learning more about your organization's goals and impact.

Sincerely,

Iowa Rabbit Festival Board of Directors
